

Dear AZ&Me<sup>™</sup> Prescription Savings Program Provider:

Our records indicate that you have at least one patient enrolled in the AZ&Me Prescription Savings Program for people with Medicare. We have reached out to your patient(s) regarding re-enrollment for 2021 and wanted to provide an overview of the process for your awareness.

In lieu of completing a full application for re-enrollment, we have asked that your patient complete an attestation in order to reenroll for 2021. If they do so, and we have an active consent on file, they will be re-enrolled for the 2021 calendar year. The attestation requires confirmation that:

1. The patient is still on therapy.
2. The patient is still in need of financial support.
3. The patient has had no changes in insurance status, income, or US residency status since their approval into the AZ&Me Program **that would make them ineligible for the Program.**

Important information: AstraZeneca is committed to helping people afford their AstraZeneca medications. Patients enrolled in the AZ&Me Prescription Savings Program are not charged any fee for the application submitted to enroll in the Program, nor do we charge a fee for the medication that they receive through the Program.

If you need assistance or if you have any questions, please contact us at our designated Medicare re-enrollment phone number, **1-877-905-1479**, Monday through Friday, 9:00 a.m. – 6:00 p.m. EST.

Thank you,  
AZ&Me Prescription Savings Program
