

Dear AZ&Me<sup>™</sup> Prescription Savings Program Patient:

Our records indicate that your enrollment in the AZ&Me Prescription Savings Program for people with Medicare will expire on 12/31/2020. For 2021 re-enrollment, in lieu of completing the full application for re-enrollment, we are asking that you complete a form attesting that you are still on therapy, in need of financial assistance, and continue to meet other Program eligibility criteria. Please see the attached attestation form accompanying this letter for full instructions on how to complete the form and return it to the AZ&Me Program.

The AZ&Me Prescription Savings Program requires your consent be provided and documented. Please submit your consent via the attached form and return it to AZ&Me.

If you would like to complete and submit the attestation form and/or consent online, please visit [www.azandmeapp.com](http://www.azandmeapp.com). The attestation form will be available under the Medicare Reenrollment tab and the consent form will be available under the consent tab.

If you would like to return your attestation or consent by mail or fax, please send the completed forms to:

**Mail:**  
AZ&Me Prescription Savings Program  
PO Box 222178  
Charlotte, NC 28222

**Fax:**  
800-961-8323

If you are mailing your completed forms, please use the included pre-paid Business Reply Envelope.

Once we receive **both** your consent and attestation forms, we will be able to continue processing your enrollment in the AZ&Me Program for the 2021 calendar year. Upon completion, you will receive a determination letter in the mail.

Important information: AstraZeneca is committed to helping people afford their AstraZeneca medications. As a patient enrolled in the AZ&Me Prescription Savings Program, please be aware that we do not charge any fee for the application you submit to enroll in the Program, nor do we charge a fee for the medication that you receive through the Program.

If you need assistance or if you have any questions, please contact us at our designated Medicare re-enrollment phone number, **1-877-905-1479**, Monday through Friday, 9:00 a.m. – 6:00 p.m. EST.
